Michelle,

Follow up question after our conversation, if we include the other sections on the Aquifer Exemption applications, do we need to provide an Area of Review for all of these sections?

Also, since the water board have a preliminary approval on section 12B we will be adding this section on the Aquifer Exemption list as well. It will be 18G, 13B, 12B and 17G.

Thanks,

**Sonnie T. Pineda**
